Comments	<input type="text" value="There is already a huge amount of traffic in this area and this would further add to the problem. The construction noise has been a constant for us living on Cherwell height during the building of Longford park which is yet to be finished and it would be nice to not have that started up again by the proposed development. Another 825 dwellings are not needed, another secondary school, gp surgery and better roads and infrastructure should be the priority."/>
