| Address | <input type="text" value="Linnet House,2 Linnet Road,Banbury,OX15 4FY"/> |
| Type of Comment | <input type="text" value="Objection"/> |
| Type | <input type="text" value="neighbour"/> |
| Comments | <input type="text" value="I object to the access running along Longford Park Road as the main access point to the new development. Currently living off Longford park road we feel an increase in traffic will inevitably lead to traffic congestion. I also feel that this will cause a risk to children in the area as many people don't not follow the guidelines of driving slowly through the estate. It will definitely get used a a race track thoughtless drivers getting from point A to B. Furthermore, having experienced the merchant builders first hand moving materials via Longford Park road they have a tendency to leave debris, dust and materials without consideration for those who live here. I'm conclusion, our road (Longford Park Road) in the current situation simply cannot handle the excess of traffic you are wanting to bring along it. It will be a hinderance to those living here, cause congestion and add to our worry of keeping children safe by more thoughtless drivers! Perhaps make a different road to access that part of the development? Also why are they starting on a new development when the previous project (Longford Park) isn't even finished??"/> |
