| Comments | <input type="text" value="The infrastructure through LONGFORD PARK can not and will not cope with the extra traffic. be this construction traffic or residents. The roads are narrow, twisty and already constricted with parked cars, (Swift Drive, Songthrush, Hobby roads as well as Longford park rd) making it dangerous to drive down as it is. It would be extremely dangerous to allow the extra traffic to access through Longford park at any point, be it bankside or Oxford rd entrances. Also the mud, dust, etc.. to existing houses would be atrocious."/> |
