Comments	<input type="text" value="With the recently added housing in Bodicote (currently under construction in White Post Road), further addition of housing in The spot of the ex Flyover Farm Shop, with the Longford Park Housing, the area becomes badly affected in terms of traffic and public amenities' provision. We've seen an increase of cars cutting through the village to avoid Oxford Road (our High Street is especially badly affected, becoming at busy times too dangerous for the residents). I also object to turning more green spaces into housing estates and the villages being swamped and absorbed by the new housing developments. Since we've moved to Bodicote in 2014 the village has become unrecognizable and the number of available fields and green spaces in the village has dramatically reduced."/>
