Comments	<input type="text" value="I am opposed to the outline plan for a further 825 homes just off the Oxford Road for several reasons. The Oxford Road has become so busy during the six years I've lived here and I often have difficulty just getting off my driveway especially at peak times. The noise from traffic has also increased. I chose to live in a village and I am so worried that Bodicote Banbury and Adderbury will soon be joined up and we will soon become the new Bicester or Milton Keynes. Adderbury has a very strong and active community and I fear this will be lost by joining the areas together like one big town. I am proud to live in my village and if this goes ahead I worry about the increase in crime that new homes always brings. Traffic will become unsustainable and the impact on the environment will be catastrophic."/>
