

Comment for planning application 19/01047/OUT

Application Number	<input type="text" value="19/01047/OUT"/>
Location	<input type="text" value="Land North East Of Oxford Road West Of Oxford Canal And East Of Bankside Banbury"/>
Proposal	<input type="text" value="Outline planning application for a residential development of up to 825 dwellings; green infrastructure including formal (playing fields with changing rooms, allotments) and informal open space; landscaping and associated infrastructure including a balancing pond; on land off the A4260, with access off the existing Longford Park access off the A4260 (Oxford Road), and a new access off the A4260 (Banbury Road). All matters of detail reserved, save for access."/>
Case Officer	<input type="text" value="Samantha Taylor"/>
Organisation Name	<input type="text" value=""/>
Name	<input type="text" value="Joss Shurey"/>
Address	<input type="text" value="1 The Rise, Twyford, Banbury, OX17 3HX"/>
Type of Comment	<input type="text" value="Objection"/>
Type	<input type="text" value="neighbour"/>
Comments	<input type="text" value="The Oxford Rd is already choked with traffic with traffic queuing the length of Twyford from 3 directions twice a day. A development of 825 houses means an additional 1300 cars and around 2500 people. There are no primary or secondary schools within walking distance of the proposed site. There are substantial issues with school parents parking in both Bodicote and Twyford/Adderbury already that are not addressed by the Council. In addition there are no shops or amenities within walking distance. Bus services have declined forcing people into cars. Installation of traffic lights to allow site residents out onto Oxford Rd will create disruption to the already heavy flow of traffic. You have only to look at the poorly planned series of roadworks happening in the Banbury area this week to see the chaos caused by lights where previously there were none. The Banbury area has doubled in size in the past 10 years with services and amenities declining. The area cannot support more giant developments without supporting roading infrastructure such a ring road, or new access roads into the centre. Oxford Rd remains choked 7 days a week driving residents to online shopping rather than sitting in traffic to get to a retailer. Continued residential developments are helping to kill off the retail areas. The toll, not just on Oxford Rd but access to Banbury town and facilities is too high to keep slinging up these big developments."/>
