Subject: Planning application 19/00963/OUT

Dear Caroline,

I wish to object to the above planning application on the following grounds, agreeing with the key points here, With Sadness, I suspect as with all our developments of late, we need to accept that Adderbury will be saying farewell to village status at the current rate.

1. Planning permission for this development should be refused as it is beyond the built-up limits of the settlement of Adderbury
- 2 It is in an unsustainable location and will give rise to travel by car rather than other modes of transport. It is divorced from the centre of the village and all of the facilities that the village has to offer.
3. Any development in this location will give rise to an increase in traffic movement exiting the Berry Hill Road onto the A4260. Of late there have been a number of accidents at this junction caused by the volume of traffic attempting to exit Berry Hill Road onto the A4260.
Although it would appear that the highway authority have no objections on highway matters perhaps they should consider revisiting this issue.
