Hi Linda

Condition 10 Play areas

LAP

The equipment proposed on this LAP is desperately unexciting. I can't imagine it being used.

It is a play area for small children and needs wet pour to keep small feet dry.

Toddlers can't climb a slope so a slide off a slope is useless. It need to be on a play tower with steps up to a platform.

The bin needs to go inside the fenced area.

The planting is almost non-existent

Better play equipment located close together on wet pour is needed.

LAP/LEAP/MUGA

The muga fence needs to be 3m high minimum.

Kind regards

Judith
